

CROSS COUNTRY MANUFACTURING

Engineered for today. Built for a lifetime.

303ATAR Tag Trailer

Cross Country Manufacturing's 30 Ton Air Tilt Deck, Air Ramp Tag Trailer is all you need to transport the heaviest equipment to your worksite.

From our pierced-beam crossmember construction to our 100,000 psi hi-tensile steel fabricated frame and side rails, this trailer's strength and durability is unmatched. Standard features include air tilt deck with air-operated ramps. This trailer is manufactured with an unladen deck height of 35".

Our Tag Trailers are manufactured in Canada using premium steels, thereby reducing tare weight and optimizing payload for the long haul.
